

ECO-LIVING SCHOOL

DISCOVER SENSITIVE WAYS OF BEING,
SEEING, FEELING, DREAMING & DOING

The Eco-Living School, Castlemaine, central Victoria, is a place where people can engage with the practical and emotional aspects of eco-living.

International teachers Alanna Moore & Peter Cowman, have, between them, over 50 years experience of alternative living. Sessions include theory+practice and are supported with printed notes.

Fees: \$50 per Session, incl. refreshments. Attend both Sessions on any one day and enjoy a free vegetarian lunch!

Enquiries: sheltermaker@gmail.com

Booking: 5468 1041 or livingarchitecturecentre.com

One2One and Group Sessions available on request.

2012 PROGRAMME

January 21st

Edible Landscaping in the Goldfields Part I with Alanna Moore 10am – 1pm

Permaculture design principles. Planning for climatic extremes. Building up soils with locally available inputs and composting. Dryland Permaculture farm tour. Practical exercise in making a small low-water-use Wicking Garden Bed designed to manage grey water.

Architecture & Life with Peter Cowman 2 - 5pm

How do buildings affect our lives? What is the connection between buildings and dreams? Can architecture foster higher consciousness? Do buildings have emotions? How can buildings assist us in living more sustainability? If you wish to know the answer to any of these questions attending this Session is a must! Includes hands-on 3D workshop.

February 18th

Architecture Design with Peter Cowman 10am – 1pm

Engaging with the dynamics of space, place, time and consciousness and how these 'invisible' aspects of design can be incorporated into physical buildings is the overall theme of this Session. Includes how to get your ideas down on paper and clearly express your intentions; site and space analysis exercises; developing building layouts, plus more!

Edible Landscaping in the Goldfields Part II with Alanna Moore 2 - 5pm

Plant selection for the temperate drylands. Bushfoods worth growing, inc. bush foods orchard tour. Native plant propagation (practical).

March 17th

Geomancy & Sensitive Landscaping Part I with Alanna Moore 10am – 1pm

The principles of geomancy, discovering the energies of place. Connecting with the spirit of the land by dowsing. Tour of energy installations on the farm. Power Tower ritual (practical).

Eco-Building Construction with Peter Cowman 2 - 5pm

What makes an eco-building eco? Explore design, materials,; structural principles,; passive solar fundamentals, insulation, costing, self-build vs. contractor build, staying off the grid; recycling issues - plus more! Get hands-on with materials - feel, smell and even taste!

April 21st

Living Your Architecture with Peter Cowman 10am – 1pm

How-to shape your home to suit your life - and the life of the planet!

Getting the best from your home; putting your ideas down on paper; connecting to your dreams; surveying; drawing; model-making; decision-making; initiating changes. If you dream of transforming your home this is the best place to start!

Geomancy & Sensitive Landscaping Part II with Alanna Moore 2 - 5pm

Working with the energies of place (akin to feng shui). Geomantic solutions to energetic problems. Creating sacred sites. Making stone circles and medicine wheels, inc. ritual use of them (practical).

May 19th

Living in a Healthy Home with Alanna Moore 10am – 1pm

Principles of building biology and how to avoid the Sick Building. Problems from geobiology and electromagnetic radiation that affect our health and wellbeing. Dowsing for irritation zones and safe places to sleep; Earth acupuncture for geopathic stress (practical).

Eco-Building On A Shoestring with Peter Cowman 2 - 5pm

In this fascinating Session participants can follow the entire process of designing and constructing a eco-building that was built for less than \$5000! Discover and try for yourself simple eco-building techniques.

June 16th

Architecture Playhouse with Peter Cowman 10am – 1pm

Imagining your Dream Space and coaxing it into Reality is the theme of this fascinating Session. Using simple materials and tools plus a generous dash of creative thinking this free-fall into the world of architecture will forever change how you think of space, time, houses, jobs, mortgages, sustainability and even life itself! This hybrid of instruction and play will encourage a deeper understanding of the role buildings play in our lives and foster the rediscovery of the timeless architecture we create in childhood.

Sensitive Permaculture with Alanna Moore 2 - 5pm

Combining permaculture design principles with geobiology and geomancy. Esoteric gardening and energy farming for enhanced plant growth and animal wellbeing. Dowsing the vitality of plants and how to improve them, inc. Power Tower ritual (practical).

Can you sing? Do you want to act in a hilarious and educational new production by Alanna Moore - writer/producer of LAMMAS FAIR - THE MUSICAL at the Castlemaine Fringe Festival in 2011?

Then join us in:

DEEP GREEN - THE MUSICAL

Starting Friday February 17th and meeting weekly each Friday evening 7 - 9pm
at a venue either in Castlemaine or Yapeen (9km away), with a view to performing it
later in the year. Contact Alanna on 5468 1041
